

Polyconcept
International Markets

THE BRAND CATALOGUE

Introduction

It is with pleasure that Polyconcept International Markets presents you this first ever Global Portfolio, a catalogue detailing a selection of our most outstanding promotion-friendly brands designed to put the customer's message first. Brands with defined purpose, whose products have all been developed with promotional personalisation in mind. Brands that come together to make Polyconcept uniquely comprehensive in its offering.

As a specialist in the promotional products market, we believe the customer should be able to have everything they want. Without compromise. Our proprietary brands therefore deliver the design, quality and functionality you'd expect from the best-known names, while making logo space, positioning and printability a priority consideration.

Through our own in-house printing facilities at all our main warehouses, we offer a wide choice of decoration techniques and possibilities. For both proprietary and licenced brands. A perfect marriage of desirable products and optimal personalisation.

Our forward-thinking approach means we are continuously innovating via our products teams in Europe, the USA and Canada. What you see here is just the tip of the iceberg! To browse through the complete global collection please go online to www.polyconcept-im.com.

ellevan™ Stealth Checkpoint-Friendly Backpack

Travel can be both very enjoyable and stressful. The ellevan™ Stealth Checkpoint-Friendly Computer Backpack has set out to make you at ease while traveling, whether that travel is back and forth to work or abroad. Standard features such as a padded laptop compartment for computers up to 17" and dedicated iPad/tablet pocket are enhanced with features that give you peace of mind away from home. The main computer compartment utilizes a puncture proof zipper combined with innovative zipper pulls that can be locked to deter thieves from making a quick getaway. The hidden RFID protected passport pocket on the back panel lets you keep your passport and/or wallet out of sight and against your body at all times. A cleverly designed security strap integrated into the backpack strap lets you wrap your bag around yourself or a table leg. Plenty of flexible storage throughout keeps you organized. Trolley sleeve on back and adjustable sternum strap.

TRAVERSE COLLECTION

Everyday commute or week-long business trip, count on *elleven*[™] to change the way you travel. Functional details like check-point friendly laptop compartments, tablet pockets and a variety of carrying methods simplify travel for those on-the-go.

0011-85

elleven™ Traverse Convertible Travel Backpack

Travel is changing and the eleven™ Traverse collection has set out to change the way you travel. The Convertible Travel Backpack can be used as an everyday bag with dedicated checkpoint-friendly laptop compartment for a 17" computer, iPad/tablet pocket and organization for your cords and accessories. Also serves as luggage with a dedicated compartment for your clothes and has elastic tie down straps. Perfect amount of storage for overnights or two day travel. Backpack straps can be tucked away into the back for when you want to carry it by the side grab handle, or the padded/removable shoulder strap. It is a backpack, duffel, and piece of luggage all in one convenient carry-on size so you can travel with just one bag. Also includes interior zippered mesh compartments, quick access valuables/passport pocket and signature eleven™ lining and hardware.

Zoom™ Energy Slim Micro

Ultra slim and compact, the 5,200 mAh Li-Polymer battery device is compatible with most devices including iPhone, Android OS smartphones, Blackberry and other USB devices. The Zoom Energy Slim Micro includes a built in Micro USB charging cable with a 1 Amp output and a second output USB port with a 2.4 Amp output to charge a second device. The second USB port is the port needed to charge an iPhone with your own charging cable. Easily check the battery life by shaking the device and the indicator lights will tell you how much power is left. Takes 6 hours to fully charge the Zoom Energy Slim Micro and includes 6 months of standby time so it's ready to use when you need it most.

ABS Plastic / 5.1" H x 2.5" W x .3" L
Packaging: 2-piece premium gift box

Color: Gray

7003-39

Zoom™ Energy Snap

Tired of misplacing your cables. Well look no further, the Zoom™ Energy Snap packs 8,800 mAh, 5v/3.1A total output and a magnetic storage compartment to store your cables. Other highlights include the dual USB sockets for simultaneous charging which is perfect for charging your smartphone and tablet at the same time, a sliding switch, and an LED power check indicator. Includes a Micro USB to USB charging cable which can be used to charge the power bank or can be used to charge up devices with a Micro USB input like Android smartphones from Samsung, Motorola, HTC, Nokia and others.

ABS Plastic / 4.8" H x 2.8" W x .8" L

Packaging: 2-piece premium gift box

Color: Black

7003-29

Zoom™ Energy Slim Bolt

Ultra slim and compact the 4,000 mAh Li-Polymer battery device is compatible with most devices including iPhone, Android OS smartphones, Blackberry and other USB devices. The Zoom Energy Slim Bolt includes a built in Lightning charging cable with a 1 Amp output and a second output USB port with a 2.4 Amp output that allows you to connect any USB connectable device. Easily check the battery life by shaking the device and the indicator lights will tell you how much power is left. Takes 6 hours to fully charge the Zoom Energy Slim Micro and includes 6 months of standby time so it's ready to use when you need it most.

ABS Plastic / 4.75" H x 2.4" W x .3" L

Packaging: 2-piece premium gift box

Zoom™

7003-22

Zoom™ Energy Bar

Small and compact the 6,600 mAh Li-Ion battery device is powerful enough to charge all generations of iPad, Kindle and other tablet/eReader Devices that use USB connecting cables. Energy Bar can also charge Smartphones like iPhone, Android OS Smartphones, and Blackberry. If you have multiple devices to charge the Zoom™ Energy Bar is accommodating by having two USB outputs to charge multiple devices at the same time. Zoom™ charging technology allows you to charge your device at an output speed up to 2.1 Amps, so you can quickly keep all of your mobile devices operational. Includes 8 adapting tips. Energy Bar fully charges in 9 hours and will hold its charge for 900 hours, over a month, of standby time so it's ready to use when you need it most.

ABS Plastic / 2.75" H x 1.63" W x 1.75" L

Packaging: 2-piece premium gift box

Color: Black

7003-24

Zoom™ Energy Box

Ever misplace or wonder where your charging cable is? Well the Zoom™ Energy Box includes a USB recharging cable and Lightning charging cable right into the product. Energy Box contains a 5,600 mAh Lithium Ion battery and two charging points. The first charging point is the integrated Lightning Adapter cable which allows you to recharge your iPhone, iPad, and iPod that use the Lightning Connector. The second charging point is the integrated USB port on the back of the product that allows you to connect any USB connectable device so that you can charge them up at 2.1A. Includes one cable for charging USB to Micro USB products like Android based products from Samsung, Nokia, HTC, Blackberry, etc.

ABS Plastic / 3.88" H x 2.25" W x 1" L

Packaging: 2-piece premium gift box

Color: White

7003-26

Zoom™ Energy Xtreme

Take this 5,600 mAh battery backup with you in extreme conditions because this product carries an IP65 certification - meaning it stands up to what abuse you put it under. It is impact, splash and dust resistant. The silicone bumper exterior protects it from being dropped and the included loop and carabiner tries to make sure it doesn't allowing you to attach it to a bag. The dual USB ports allow you to charge any USB connectible device like an iPhone or iPad at the same time at a max rate of 2.1A. Don't worry about it being charged up ready to use as it has over 6 months of standby time, making sure it's ready to use when you need it most. Includes Micro USB to USB connecting cable for recharging or charging up an Android, Windows or Blackberry OS smartphone or tablet.

Silicone / 4" H x 2" W x 1.13" L

Packaging: 2-piece premium gift box

Color: Gray

7003-27

Zoom™ Energy Pack

This battery backup is big and fast! Featuring an 11,200 mAh internal battery it should be checked steroids. As for fast, it's cheetah fast, as the dual USB outputs charge multiple devices at the same time at a rate of 1A and 2.4A, the fastest in the market. With a total output of 3.4A means it doesn't slow down for a coffee break when charging two items. With its built in case, it stores both the charger and cables together for easy transportation. Compatible with iPhone, iPad, iPod, Samsung Galaxy S IV/Note III and just about anything else that charges through a USB cable. Includes a Micro USB to USB connecting cable which it uses to recharge or you can use to charge up an Android, Windows or Blackberry OS device. And with over 6 months of standby time, this charger is the Homecoming King, Class Valedictorian, and Star Quarterback rolled into one.

Polypropylene cover / 4.5" H x 3" W x 1" L
